Rules & Tips for Agriculture/Horticulture Exhibitors

1. All State & local rules apply.
2. Farm & Garden (Ag. Hort.) products must have been produced by the exhibitor.
3. Variety of products must be adequately and correctly labeled.
4. "Any Other" classes are for varieties that do not have a listed class. Please state species/variety on entry.
5. Specimens must be free of insects or they will be disqualified.
6. Specimens should be free of bruises and uniform in size.
7. The quality desired in agriculture and horticulture product exhibits is the quality that brings the best financial return in the commercial market, and such exhibits must be at least equal in maturity at the state of ripeness as that required by Section 42513 of the California Agriculture Code to be considered for premium awards.
8. Section 42513: Mature means having reached the state of ripeness which ensures the completion of the ripening process to a degree which will ensure palatability, after the removal of product from the tree, plant /vine.
9. Overripe means having an advanced state or a maturity which causes the product to be undesirable for human consumption in a fresh state.

Cleaning

- Specimens should be free of soil, dust and spray residue. Harvest and select only clean specimens. A light brushing with a soft brush will often do the trick; especially recommended for peas, beans, okra, cucumbers, and cantaloupes.
- Fruit with a waxy surface, such as eggplant, peppers, tomatoes, watermelons, usually can be wiped free with a soft cloth.

- Washing should be your last resort. However, root and leafy crops may often need careful washing.
- Washing is not recommended for Head lettuce, Endive, Cauliflower, or Cabbage. Trim off spoiled portions,
- Always using the proper tool, knife or shears for trimming.
- Whatever method you use, avoid skinning and bruising your vegetables while cleaning.

Almonds: Hand pick, look for uniform size, cracks, skin or bug holes

Beans: Leave 1/4 Inch stem. Arrange biggest to smallest, all curved the same way.

Beets: Leave a 1-inch top

Cucumbers & Squash: Can be picked one week early; leave flower until judging. Trim stem straight across with a knife. Refrigerate in a moist towel prior to bringing to the exhibit.

Garlic: Leave ¼ inch root and 1-inch top. Trim off mold.

Onions: Leave ¼ inch root and 1-inch top. Leave dry skins, red over purple color preferred.

Zucchini: Leave stem and hair on. Handle from stem.

NOTE: Unless otherwise stated, the types of vegetable desired for exhibit will be the uniform commercial grade rather than overgrown. Monstrosities will not be considered for premium awards. A Bunch is 3-5 stems on a plate.

JUNIOR STILL DEPARTMENT

The Junior Department is for young people who would like to enter their exhibits at the Fair. The Colusa County Fair will make every effort to accommodate Junior Exhibitors by providing divisions and classes which correspond to their 4-H and FFA requirements and in which non-4-H or FFA members are eligible to enter.

Independent Exhibitors may compete in the appropriate age class in direct competition with the FFA or 4-H members. If there is a significant number of Independent Exhibitors, then divisions and classes may be formed only for those Independent Exhibitors. Good luck with your exhibits and we look forward to seeing you at the COLUSA COUNTY FAIR.

DANISH METHOD OF JUDGING means all exhibits in class can win 1st, 2nd, or 3rd place. In this system, each exhibit is judged according to how well it meets that standard, rather than how it compares with other exhibits. In all Junior Departments using the Danish System, the following outlines shall be used by the Judge.

1st Group - Blue Ribbon - Superior 92-100% 3rd Group - White Ribbon - Average 70-83%
2nd Group - Red Ribbon - Good 84-91% 4th Group - No Ribbon - Poor 69% or less

State Rule IV-b does not apply to divisions using the Danish System of Judging.

Eligibility and age requirements.

The JUNIOR DEPARTMENT is open to EXHIBITORS 18 YEARS OF AGE & YOUNGER, AS OF 1/1/2024.

4-H Primary Level: Must be 5 years old as of January 1, 2024, to exhibit at the fair. Primary membership ends when members qualify as junior members.

JUNIOR LIVESTOCK DEPARTMENT

The Junior Department is for young people who would like to enter their exhibits at the Fair. The Colusa County Fair will make every effort to accommodate these exhibitors by providing divisions and classes for groups such as FFA and 4-H. The Fair will also provide the opportunity for young people to enter their exhibits who are not members of an established club or organization. Independent exhibitors may compete in the appropriate age class in direct competition with the FFA or 4-H members. If there is a significant number of independent exhibitors, then divisions and classes may be formed only for those independent exhibitors. Good luck with your exhibits and we look forward to seeing you at the COLUSA COUNTY FAIR.

ELIGIBILITY AND AGE REQUIREMENTS

Youth under 9 years of age must exhibit in special divisions designated by the fair.

4-H Age Requirements: The levels of membership for 4-H are age based. Each level is defined as follows:

Grange Members must be at least 5 years old on January 1 of each calendar year to exhibit. They may exhibit until the end of the calendar year in which they reach age 19. All Grange Youth must be 9 years old on January 1 of each calendar year to exhibit large animals.

Independent Exhibitors must be at least 9 years old by January 1 of each calendar year. Exhibitors are eligible to compete/exhibit through December 31 of the year in which they turn 19 years of age.

FFA Members may participate as members until the end of the calendar year following the year of graduation from high school. For example, a graduate this year is eligible until December 31, of next year.

One Year Out of High School Policy

An exhibitor may participate in the Colusa County Fair one year after graduating from high school as a 4-H or FFA member provided they have met all the rules and requirements of the organization. Independent exhibitors may only complete one year after graduating from high school, provided they were entered as an independent in the previous year.
